Location of Bonfire: _____ **Use attached map to identify area**

Approximate Number of Attendees: _____

Plan of Action for Cleaning Bonfire Site: _____

CONDITIONS

A permit shall be obtained from the UIC Lands Department prior to kindling a fire for a bonfire. Applicant is responsible for the safety of the bonfire area. Applicant must be at least eighteen (18) years of age. Submission of this form does not guarantee approval.

The location for a bonfire shall only be on the beach area designated by the UIC Lands Department. Designated bonfire sites include:

- 1) Beachside at the end of Ahmaogak Street in Browerville
- 2) Beachside of the Ilisagvik College Campus at NARL
- 3) Beachside near the end of the Old Runway at Pigniq

No bonfires will be permitted in any residential area or within 50 feet of any structure or combustible material.

Bonfire piles cannot be larger than 4 feet in diameter by 4 feet in height, including flame. Items prohibited from being burned in a bonfire include garbage (including any tin cans or glass containers), hazardous waste oils, combustible material, and chemically treated lumber.

Bonfires must not disturb or hinder any surrounding subsistence activities. Applicant and bonfire attendees shall not interfere, encroach, or obstruct the surrounding ground areas involved with construction and barging/wharfing activities, or block any public road-ways or rights-of-ways.

The Applicant is responsible for maintaining the safety of participants during the event. Bonfires must be constantly maintained and attended to until the fire is completely extinguished. Bonfires cannot be left unattended or buried while burning or smoldering.

Use of any alcohol and/or drugs is strictly prohibited. The UIC Lands Department shall have the right to request the removal of any persons attending the bonfire event that UIC feels is not acting in the best interest of the general public.

All trash from the bonfire area must be removed and cleared within 24 hours after the bonfire has been extinguished. All nails and other sharp must be removed from the bonfire site if wooden pallets are used for burning. **Failure to properly clean the bonfire area will result in a \$250.00 fine to the Applicant.**

The Applicant will be responsible for any and all damages that occur to the bonfire site due to the Applicant's negligence or willful action. To the fullest extent permitted by law, the Applicant will indemnify and hold harmless Ukpeagvik Inupiat Corporation, including its employees, officers, and agents from any and all claims, damages causes of action, losses, expenses (including attorney fees), and liabilities, negligence, fault or strict liability, resulting from loss, damage, personal injury to, or death of any third party, to the extent caused by any act or omission of the Applicant, and for any and all loss, damage, injury, or death resulting to the indemnifying party's property or personnel arising out of any incident related to the bonfire event.

The UIC Lands Department reserves the right to limit or refuse the number of bonfires within a location and/or date.

SIGNATURES
